Agenda Item	11

Free car parking for armed forces day

Those organising the Armed forces day on Saturday 30 June have requested that HTC allow free car parking in its pay and display car parks on the day. When free parking is given it is normally from 10.00, in order to allow traders to get in and park before the general public take all the free places.

Recommendation : that HTC grants free parking in its car parks from 10.00 on Armed Forces day.
