

Committee	COUNCIL MEETING
Date	21st May 2018
Agenda Item	12

Tourism in Halstead

At the April Full Council meeting it was agreed :

- that Halstead TC retains control of the account holding cash from the disbanded Town Team.
- that Halstead TC should accept the Portas money which will be added to the existing, ring fenced account.
- that the Halstead History Society and Halstead in Bloom are direct contacts for any requested tours of Halstead, and any other groups who might come forward
- that Halstead TC contact coach companies via the new list to be supplied by Halstead Chamber of Trade.
- that money for membership of Visit Essex should be put aside up to £500 over a period of 2 years.

The Chamber of Trade has said that they will pay the membership of Visit Essex but has requested that HTC pays for Halstead to have space at a Visit Essex exhibition at a cost of £500 per year.

Recommendation: that HTC decides whether to allow £500 to be used from the Mary Portas money to pay for Halstead to have space at a Visit Essex exhibition
