

Committee	COUNCIL MEETING
Date	15th July 2019
Agenda Item	17

Champions

At the June Council meeting it was agreed that Council would start a new initiative to tackle some of the big issues for residents. Councillors were asked to put themselves forward to work in more detail on certain areas. It is suggested that a single councillor be responsible for each area, and the aim is to encourage new councillors to get involved and take on responsibility. The exception to this is the work with the Courtauld surgery which has already been started by Cllrs Radley and Gronland.

These Councillors have responded so far:

Education - Cllr Caulfield, Cllr Hume

Tourism - Cllr Smith, Cllr Pell

Policing - Cllr Warren

Open Spaces and River - Cllr Atkinson

Elizabeth Courtauld Surgery – Cllr Radley, Cllr Gronland

It would be helpful to those selected to have their brief and terms of reference more clearly defined. It is understood that the Councillor appointed to each area will do a survey of the situation to discover where action is needed, and will report back to council.

Once the champions have been agreed, these areas will be added as separate agenda items, and Councillors will provide a verbal update to keep the whole Council informed when needed.

Recommendation: that HTC confirms the Champions from those who have so far volunteered.
