

Committee	COUNCIL MEETING
Date	16th September 2019
Agenda Item	13

Update on the Riverside Footbridge project

A sum of £6k has been pledged by BDC to fund exploratory work to be carried out on the footbridge, including that of a structural survey and follow up assessments, in order to enable a contractor to be able to carry out the works to the standard required for sign off and then handover for future maintenance by HTC.

At the last Council meeting the final supplier was chosen to undertake the assessment work.

Since this meeting Town Clerk has contacted BDC to request the funding to be provided and has also requested a full reference from one of the companies given by the chosen supplier.

The chosen supplier has been notified by Cllr Atkinson of the decision by Council and once the final reference has been received will be instructed to carry out the work.

Recommendation: that the Council notes this report.

Sarah Greateorex
Town Clerk
