

Committee	FINANCE COMMITTEE
Date	16th September 2019
Agenda Item	7d

Purchase of a new string of white lights for the Christmas tree

During the course of December 2018, while the Christmas lights were up in the High Street, there was an electrical failure on the string of lights on the Christmas tree and a small fire, which was quickly extinguished.

We will need to purchase from Capital Reserves a new string before the lights can go up this year.

Our contractor for the erection of the Christmas lights has sourced such a string for us.

300 metres of ice white lights £799 + VAT

Or

300 metres of sparkling white lights £920 + VAT

Recommendation : that HTC purchase a new string of ice white lights for the tree for £799 + VAT taking the funds from Capital Reserves.

Sarah Greateorex

Town Clerk
