Agenda Item	17

Meeting at Halstead Town Council 9/12/19

Cllrs Peter Caulfield (Halstead), Dave Gronland (Halstead), Steve Hall (Sudbury), Eileen Penn (Bulmer)

Jacqui Howells (Town Clerk Sudbury), Sarah Greatorex (Town Clerk Halstead)

This crossborder meeting was called to discuss together ways of influencing the strategic lorry routes through Halstead, Bulmer and Sudbury. Halstead Town Council has been considering this matter for some months and has been in touch with both officers and the leader of Essex County Council. Suffolk County Council is also looking into strategic lorry routes. The proposal is that heavy lorries should be redirected to stay on the A12, and then access the A134 via the Northern Gateway at Junction 28. This will involve talking to Councillors and officers at both County Councils, and may also need working groups at both Town Councils.

HTC can offer Queens hall for the meeting at 16.00. There are many dates available in February at present.

Action

- **SG to set up a working group at HTC**
- **SG to contact ECC officers and councillors**
- **JH to contact SCC officer and councillors**
- **The group to select a date and time**

Recommendation: that HTC notes the report
