

Committee	FULL COUNCIL
Date	16 th March 2020
Agenda Item	16

To receive a report on a proposed cycle track from Halstead to Chappel

HTC has been approached by an Earls Colne Councillor. There is a plan to develop a cycle path along the old railway line from Halstead to Chappel. This would involve the parish councils in Halstead, Earls Colne, Colne Engaine and Chappel working together. Grants are available and Cllr Beavis is already involved.

Recommendation: that Council agrees to initial meetings to explore working with local parish councils on the proposed cycle track from Halstead to Chappel.
