Agenda Item	16

To receive an update on the Tender for the Christmas Lights contract 2020- 22

HTC advertised information on the Christmas lights tender in early February, and by the deadline in early March there was only 1 tender. A second tender from a commercial company has now been received, and a third one is promised, to be available for the next meeting scheduled for 18 May.

Recommendation: that HTC defers making a decision on the Christmas lights tender until all quotes are in, and makes a decision at the meeting on 18 May.
