

Report from Halstead Daycare Centre

The grant given to the Centre in July 2019 to the sum of £465 was used to support the running costs of The Centre.

Originally it was to support trips out. Because of the weather at that time we were unable to do as many trips as we usually do.

In September I wrote to ask if we could use the balance to help with the running costs, and it was accepted.

The Council have been of great support to the Centre for many years, and we appreciate all that you have done for us.
