To approve ticket prices for outings in 2021

The Events working group at its meeting on 24 May 2021 recommended that ticket prices for the outings in 2021 should be raised to £18 for Halstead residents and £22 for those coming from outside Halstead. These are exceptional prices as it is likely not to be possible to fill the coaches due to social distancing.

Recommendation: that Full Council approves the ticket prices of £18 for Halstead residents and £22 for those coming from outside Halstead
