To consider remarking of the parking bays at Courtaulds Sports Ground

Courtaulds Sports Ground Management Committee have been in touch to say that the parking bays in their car park need remarking.

It is not clear either to CSGMC or to HTC whose responsibility it is to remark the bays. CSGMC have said that they are happy to go halves with the council on the payment for this job. The Town Clerk has obtained 3 quotes:

Quote A : £750 + VAT

Quote B: £745 + VAT

Quote C: £795 + VAT

The company providing Quote A is the only one to have visited the site, to the knowledge of HTC. Our staff felt that the company who have provided Quote A seemed very professional in their approach. Some of the others have worked out their quote using Google Earth.

Recommendation: that HTC approves Quote A, and shares the cost with CSGMC.
