

Committee	FULL COUNCIL
Date	18 October 2021
Agenda Item	14

Events group meeting

The events group met on 11 October 2021 to discuss events for the next few months. The group has suggested that a free event be put on for the community on 5 June 2022 to celebrate the Queen's Platinum Jubilee. This would be a band in the park event, at a cost of around £2500. It is possible that the cost could be offset by the Welcome back grant being offered by Braintree District Council, if quotes are received for 3 bands in advance.

Secondly it was agreed that HTC should request assistance from paid staff from BDC to manage the torchlight procession. This will cost in the region of £300.

Recommendation:

- 1.that HTC agrees to put on a free event in the Halstead Public Gardens for the public on 5 June 2022.
- 2.that HTC agrees to request assistance from BDC staff to run the torchlight procession.

Sarah Greatorex
Town Clerk
