

Committee	FULL COUNCIL
Date	18 October 2021
Agenda Item	7d

To consider buying 2 lightweight noticeboards

The work on the regeneration of the town centre is on hold at present. This is to include at least one monolith to advertise events but it is not yet known when that will be in place. The current noticeboards are cumbersome, and very heavy. The original locks are broken and the heavy glass has to be balanced on one's head while putting in new notices. It is proposed to purchase 2 lightweight aluminium boards which can be wall mounted at the Old Post Office and the library, at a cost of £400. The post office has given its consent to this, and we are waiting for confirmation from the library. The Environment budget is currently underspent by around £5k.

Recommendation: that HTC purchases 2 lightweight aluminium noticeboards.

Sarah Greatorex
Town Clerk
