Agenda Item	7e

To consider buying 4 banners to advertise winter events put on by HTC

HTC has not produced any banners advertising events over the last 2 years, since the holding of events has been so uncertain. Now a Christmas Fayre, Lights switch-on and Torchlight procession are planned, and they need to be advertised. Previous banners used by the Christmas Fayre cannot be found after 2 years of inactivity. It is suggested that HTC produce 4 banners for these winter events, where the dates can be changed in future years at minimal cost, as was previously done with the Christmas Fayre banners. These reusable banners can be produced at a cost of £390 including VAT.

Recommendation: that HTC purchases 4 banners to advertise winter events.

Sarah Greatorex
Town Clerk
