General Fund Summary

	2020/21	2021/22		
	Actual	Actual	Budget	Variance
Income	317,234	368,156	342,077	26,079
Expenditure	314,000	288,684	313,935	25,251
Surplus/deficit	3,235	79,472	28,142	51,330
Transfer to Earmarked reserves	3,235	69,292		

Total surplus for the year was £51,330 above budget. This surplus was almost entirely due to the fact that income budgeted for Queens Hall Hire and for carpark charges was set at a very modest low level, as it was not known at the time of budgeting what would happen as lockdown restrictions were lifted. However, in both cases, income soared as business bounced back. In addition, expenditure was cautious over the past year, due to the serious effects of the pandemic in the previous financial year.

Total	52886	0	69292	122178

It is suggested that the unallocated surplus be added to the amounts already put aside for the repair of the Empire roof. This is an urgent matter as repairs are becoming necessary every few months. Although an application has been made to the National Lottery it looks unlikely that this will result in a payment in the near future. The remainder has been put aside to build up a fund for maintenance of any property owned by HTC, retaining £10,000 of the surplus to go into the general fund..
