### **Chairs for Queens Hall**

HTC made an application for Community Initiative Funding in August to pay for half the cost of 35 new chairs for Queens Hall. The application was unfortunately refused in December. However, the chairs are still needed. The hall has undergone a complete refurbishment over the past few weeks – new lighting, resanding and sealing of the wooden floor, and redecoration. The hall offers an attractive and sought after venue for both public bodies and for private parties. The chairs are now needed and are still available at present at the discounted price of £54.73 per chair rather than £86.

It is proposed that HTC buys the chairs using capital reserves.

**Recommendation:** that HTC buys the 35 chairs at a total cost of £2298.66 including VAT, using capital reserves.
