

Committee	FULL COUNCIL
Date	18 September 2023
Agenda Item	15

To consider setting up a Community energy project and a public meeting

Following on from the information provided at this meeting relating to the Colne Valley Community Energy project, it is proposed that Halstead Town Council consider setting up a similar project in Halstead and that a public meeting should be organised, with a leaflet drop and refreshments. Costs will be given at the meeting by the speakers.

Recommendation : that HTC organises a public meeting on Community Energy.
