**To consider expenditure of remaining S106 allotment fund monies allocated to Colchester Road Stat allotments**

After the purchase of the stock fencing there remains £749 to be spent before 31 August 2024. There is also a sum of £2700 allocated to the same allotments to be spent before 2028.

A large shed for general use would be much appreciated, and the planting of willow trees would help to soak up the water which makes several of the plots unusable

Quote 1: £714.99 including keysafe

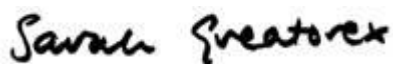

Quote 2: £509

Quote 3: £1229.99

Quote 4: £750

Willow trees cost from £25 so are easily affordable.

**Recommendation:** that HTC approves Quote 1.

Sarah Greateorex Town Clerk
