To consider the naming of a road associated with the building of commercial units near Rosemary Lane

21/01479/FUL

Permission has been granted to Framar Developments to build 7 commercial units near Rosemary Lane.

There will be a new road to access these units. The developers, who also own Forest Homecare, have suggested that it be named Forest Drive.

HTC is asked to make suggestions.

Recommendation: that councillors choose an appropriate name for the new road.
