

Committee	ANNUAL TOWN MEETING
Date	7 April 2024
Agenda Item	4

District Councillor Report 2024/25 – Cllr. Andrew Munday

Full Council Meetings

I have attended seven out of the eight Full Council meetings this year (inc AGM) – 87.5% attendance

Planning Committee Meetings / Planning Members Forum Meetings

I have attended fourteen out of sixteen Planning Committee Meetings this year – 87.5% attendance

I have attended most of the Planning Forum meetings this year; these meetings are not mandatory and are therefore not recorded on the BDC website.

Governance and Audit Committee Meetings

I have attended four out of five meetings this year – 80% attendance

Local Plan Sub Committee Meetings

I have attended four out of six meetings this year – 66.7% attendance

Member Evenings and Members Skills Training

I have had no member training this year, however I have attended the following Member Evenings: Strategic Management/Strategic Risk Register, Strategic Partnerships, Planning Obligations (S106)

Councillors Grant Scheme / Awarded Grants

I did not award any of my grant allocation last year, therefore my allocation this year is £2500 (£1250 carried over from 2022/23 and added to my allocation of £1250 for 2024/25 = £2500)

This year I have spent £2000 of my grant allocation, awarding this to the “Living with Dementia” Project that is being coordinated by the Rotary Club of Halstead.

A balance of £500 remains which will be rolled over to my 2025/26 grant allocation. (£500 carried over from 2024/25 and added to my allocation of £1250 for 2025/26 = £1750)

I am happy to elaborate on any of the above topics should any Councillor so wish.

Recommendation: that HTC members note this report

Cllr. Andy Munday
Braintree District Council
St Andrews Ward
