Finance Report on February

Income and Expenditure

It is good to be able to report that the car parks are once again performing way above budget, and income for car parks is now £18,000 above budget, and that the Queens Hall bookings are in line with budget. It is pleasing to see that most expenditure is well in line with budget predictions. The current surplus showing income over expenditure after 9 months of the financial year is **£46,189**.

Recommendation : That council notes this report .
