Agenda Item	7e

To consider installing further stock fencing and gates at the Colchester Road (stat) allotments

HTC has been advised by BDC to apply promptly to use remaining S106 funds, so that they are not lost. For this reason, it is planned to complete the stock fencing and gates needed at Colchester Road Stat, and the application for this can be seen in item 7e(a). Three quotes have been sought for this.

Quote 1: £5550 (+VAT)

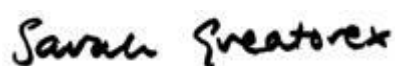

Quote 2: £6200 (+VAT)

Quote 3: £7870 (+VAT)

Recommendation:

1.that HTC approves the S106 funds application form to allow the completion of fencing at Colchester Road Stat allotments.

2.that HTC chooses Quote 1 for the work to be done.
