REPORT to Halstead Town Council for the 2025 Annual Town Meeting

The members of Halstead Choral wish to say a huge "Thank You" to the Halstead Town Council for the Grant of £500 they received towards the cost of the July 2024 Concert held in Queens Hall, Halstead. Live music, for which we engage professional leaders and supportive performers, does not come cheaply. Your Grant enable us to cover our costs for that Summer Concert.

That Concert was the finale of our Choir's Programme of four Concerts throughout 2023-24. The breadth of music performed at these Concerts was only matched by the breadth of local participants who sang or performed with us. Once again, Halstead Choral fulfilled its twin desires to keep live choral music available in Halstead and to engage with members of the public from school pupils to senior citizens.

We have valued the support of the Mayor of Halstead in the role of Patron of our choir, and the financial support of the Town Council in helping us occasional Grants. We never take these supports for granted, but we express our thanks warmly and publically.

David S Ainge
Treasurer of Halstead Choral
