

Committee	Council Meeting
Date	14 April 2025
Agenda Item	13

To consider parking at Mount Pleasant

Mount Pleasant is a narrow 2-way hill leading from New Street up to Holman Road and Ramsey Road. There are junctions with New Street and Trinity Road where cars park very near to the junction with Mount Pleasant, affecting visibility when exiting onto Mount Pleasant.

It is proposed to request double yellow lines at both these junctions.

Recommendation : that HTC requests double yellow lines on New Street and Trinity Road, at the junction with Mount Pleasant
