

Committee	COUNCIL MEETING
Date	14 April 2025
Agenda Item	5a

To consider 2 further sites to be added to the Local Plan

During the recent Issues and Options consultation BDC received two new site submissions within the Halstead area. Maps of the areas involved will be on display at the meeting.

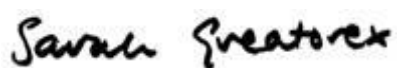

Additional site:

Ref	Proposed Use	Site Address
HASA2506	Mixed use	Land at The Vicarage, Parsonage Street, Halstead
HASA2507	Residential	Land to the south of Boxmill Lane, Halstead

All the additional sites will be added to our existing online Call for Sites Map in the next few days: <https://www.braintree.gov.uk/planning-building-control/local-plan-review-2/3>.

As with the previously submitted sites, the additional sites will be subject to assessment by officers and then considered at additional [Local Plan Sub Committee meetings](#) in the coming months (dates are to be confirmed).

Should the Town council wish to make comments to help inform officer reports in relation to this site, please email the parish councils response to planningpolicy@braintree.gov.uk.
