

Dear Halstead Town Council,

On behalf of Halstead Cricket Club can I say a big thank you to the Town Council for their generous donation of £500 towards the renovation costs of our cricket nets.

The much-needed work allows safe continued use by players of all ages and abilities including girls, boy, women and men from 6 years old to beyond.

Our own club teams; Juniors teams, 1st, 2nd, 3rd XI, Veterans and High Street Rangers as well as local schools are able to benefit from using the up-to-date facility to benefit cricketing activity and development.

As the beginning of our season approaches, we have begun and completed the work to renovate the nets using the funded money as well as our own contribution ready for use throughout the summer months. Our first men's training session begins on 8th April where they will use the facilities to practise and prepare for the season with our first Junior session starting on 11th April allowing the children to prepare for their matches or even progress to bowling and batting using the facilities which is vital for them to learn on a full-length wicket.

Finally, we'd like to thank Halstead Town Council once again for their support in helping fund this project.

Kind regards,

Lauren Hume
