Finance Report on May

Income and Expenditure

The May figures shows a surplus of £12,467 after 2 months of this financial year. The car parks are performing above budget as expected, but due to the lack of further capacity for parking, it is unlikely that they can perform any better. Queens Hall is performing to budget. It is pleasing that the increase in budget for salaries, pensions and N.I. is close to the actual.

Recommendation : That council notes this report.
