To consider repairs to wall and steps at Holy Trinity churchyard

The groundsman has brought to our notice that a wall, and steps beside it used by children to get to school, are in a bad state of repair. For safety reasons, this needs some attention. We have sought 3 quotes to put it right. The company which has given quote 1 has previously successfully carried out work for us in another churchyard.

Quote 1: £675 (no VAT)

Quote 2: £1350 + VAT

Quote 3 : £625 (no VAT)

Recommendation : that HTC approves quote 1.
