Date	14 July 2025
Agenda Item	7d

To consider repainting the Riverside Bridge

It is now 4 years since the Riverside Bridge became council property and was last painted. It has been suggested that it should be repainted to keep it in good condition. This would include also the railings at the bottom of the carpark beside the river.

As we have £15344 in Earmarked reserves for Property maintenance, there is plenty to cover the cost:

Quote 1: £2800 no VAT

Quote 2: £2241.67 + VAT

Quote 3: £1700 no VAT

Quote 4: £8200 + VAT

Recommendation: that HTC chooses quote 3 , and uses funds allocated to Earmarked reserves for property maintenance to repaint the Riverside bridge.
