To consider repainting the eaves/fascia on the library

It has been suggested that it is time to repaint the eaves/fascia on the library building. Eight companies have been contacted for quotes. So far only 2 quotes have been received. Scaffolding/scissorlift will also need to be ordered at a relatively low cost.

Quote 1: £1400 + VAT

Quote 2: £1362 + VAT

It is unlikely that many more quotes will be received in the near future, and some contractors have said that they are unable to do the job this year.

Recommendation : that HTC selects quote 2, and pays for the work from the property maintenance Earmarked reserves. This contractor has previously done good work for the council.
