### **To consider a request for a grant**

HTC has received a request for a grant from the URC, which has come out of the normal time period for grants to be considered, as the URC was not aware of the timing of the consideration of applications.

In the past some late applications have been considered. In this case all the funds set aside for 2025 have already been spent, but in view of the efforts that the URC is making to support the town by accommodating the Citizens' Advice Bureau and the Banking Hub, HTC is asked to consider making an exception and making a grant to the URC.

**Recommendation:** that HTC makes a £500 grant to the URC, using some of the surplus already accumulated in the current financial year.
