To confirm a decision taken to pay the higher fee for pre-planning guidance

Council had agreed to pay for pre-planning guidance for the proposed Community Arts Centre at a cost of £430+ Vat. When the application was made, the cost was cited as £1455.83 + Vat.

Due to the urgency of this matter, and the delay to the whole project if the matter was held back until the next council meeting, it was agreed, In consultation with the Vicechair, the Chair being on holiday, to ask councillors to respond by email.

7 councillors voted to agree to the extras payment, 1 abstained, and 4 did not respond.

Recommendation: to confirm the decision taken to pay the extra for pre-planning advice.
