Agenda Item	7d

To consider the cost of outings in 2026

As the parties in November are part of the outings activities, HTC considers that the funds to pay for the parties must be raised by those who go on the outings. This is not something to be funded by the taxpayers. In 2025 HTC has had to subsidise the parties. This was a one-off, but in future years, the income from the outings must cover the costs of the parties. It is therefore proposed that the cost of an outing for a Halstead resident in 2026 be raised to £20.50.

Recommendation : that the cost of an outing for a Halstead resident in 2026 be raised to £20.50.

Sarah Greateorex Town Clerk
