Agenda Item	13

To consider a request for training made by the Clerk

The new training organisation Councilwise has just advertised some new and different training related to HR. These are described in Item 13a. The clerk would very much like to attend sessions 2 and 3 at a total cost of £120.

This training would of course also be open to any councillor who would like an update on HR, in particular members of SAC.

Recommendation; that HTC agrees to fund the HR training for the Clerk from unallocated reserves.

Sarah Greator Town Clerk
