To consider reducing 2 sycamores at Courtaulds Sports ground

Two sycamores located inside the ATC enclosure have become very large. They would threaten some local properties if they were to fall. They have not been pruned for many years, and it is suggested that they should now be reduced in size. Quotes have been sought:

Quote 1: £1400 + VAT

Quote 2: £3200 (no VAT)

Quote 3: £1100 + VAT

Quote 4: £3100 + VAT

Recommendation : that HTC selects Quote 1, as this contractor has previously done an excellent job.

Sarah Greator Town Clerk
