Date	9 February 2026
Agenda Item	7j

To consider training for the Administration Officer

Sheenagh has embraced the new system of managing the allotments and invoicing for them through Rialtas. She has had a few difficulties, and has been offered some training by Rialtas to give her more insight into how the system works. This would be online and could include up to 4 people, so we would suggest that this is attended by Ed and Wendy as well.

The cost will be £300 + VAT.

Recommendation: that HTC pays for further Rialtas training.

Sarah Greator Town Clerk
