To consider a request for training from Cllr McCoyd

Cllr McCoyd has made a request to attend training provided by EALC on 22 April in Internal and External Audit.

The cost is £125.00, which would need to be paid out of the current year's surplus, as the training budget has been used for the Administrator's training.

Recommendation; that HTC agrees to Cllr McCoyd doing the audit training, and that this is paid out of the current year's surplus.
