

Use of £500 Grant from Halstead Town Council

Sunnydays Baby and Toddler Group CIC

We would like to provide an account of how the £500 grant awarded by Halstead Town Council has been utilised to support the ongoing sessions at Sunnydays Baby and Toddler Group CIC.

The grant was instrumental in ensuring the continuity and quality of our weekly sessions. A significant portion of the funding was allocated towards essential resources, including arts and crafts materials, age-appropriate toys, and books, all of which contribute to a stimulating and nurturing environment for the children. Additionally, the funds enabled us to replenish hygiene supplies and provide healthy snacks and refreshments for both the

children and their parents and carers, promoting wellbeing and inclusivity within our group.

We have also used part of the grant to cover venue hire costs, ensuring that our group can continue to meet in a safe, accessible, and welcoming space. Furthermore, the support from Halstead Town Council has allowed us to subsidise session fees for families facing financial hardship, making sure that the group remains open and supportive to all in our community.

On behalf of everyone at Sunnydays Baby and Toddler Group CIC, I would like to express our sincere gratitude for the Council's support. The grant has made a tangible difference in sustaining our activities and fostering a positive, inclusive space for families in Halstead.
