

	Full Council
Date	18 May 2026
Agenda Item	10

To consider an update on the proposed Community Arts Centre

A meeting of the CAC trustees will be held on 12 May, to discuss in particular, the application for funding from the Arts Council, the application to BDC for S106 funds, and the drawing up of a legal agreement between HTC, the Empire Trust and the Community Arts Centre regarding financial control and procurement.

The second meeting with Peter Heather, the architect appointed to the project, on 15 April, was a resounding success, with approval from all present for the designs he put forward.

CIO registration is still awaiting confirmation and regular updates are received from the Charity Commission.

Contacts are being made with potential corporate partners.

Recommendation: that HTC notes the report.
