To consider remarking the bays at Courtaulds Sports ground

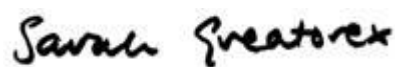

The disabled bays at Courtaulds sports ground have become faded, and for safety reasons it is necessary to remark them. All linemarking companies have a minimum rate they will charge for coming out, no matter how big or small the job. Several of those contacted have suggested that they include the normal bays as well, for very little extra, so it would make sense to have the other bays done as well.

Quote 1 : £875 + VAT

Quote 2 : £930 + VAT

Quote 3 : £1250 + VAT

Recommendation; that HTC approves quote 1. This contractor has done good work for the Council in the past. This can be taken from the Courtaulds maintenance budget.
