To consider another band in the park in 2026

A local man, Brian Smith, who runs a Jazz band, has asked if he can perform in the public gardens for the people of Halstead this summer. He has offered 5 July as a possible date. This is an attractive offer, firstly as he is local, but secondly because we do not have an event in the park in July, and this would be popular. He would charge us only expenses of £300

Recommendation : that HTC agrees to Brian Smith performing in the public gardens on 5 July.
